Adult

Dictionary definition:

Noun: a person who is **fully grown**.

Wikipedia:

Biologically, an adult is a human being or other organism that has reached sexual maturity. In human context, the term adult additionally has meanings associated with social and legal concepts. In contrast to a "minor", a legal adult is a person who has attained the age of majority and is therefore regarded as **independent, self-sufficient, and responsible**.

Preparing for Adulthood:

- Independent – means not depending on another for livelihood or subsistence.
- Self sufficient - **means** not relying on others for things that you **can do** yourself.
- Responsible - answerable, or accountable for something within one's power, control, or management.

What does this mean for delivery of services?

Focus on:

- Not depending on others
- Doing what they can do for themselves
- Being accountable for their actions
